February, 2007

*Dear family in Christ,*

*It's with joy and expectation that we come to the end of our time here in the US. During the last seven months we have been able to visit thirty of our supporting churches. Re-acquainting with friends and meeting new ones has been wonderful. Your words and support have blessed us time and time again. It's been good to be able to share directly with you the excitement of what God has done this last term and the potential for the future. It has also been uplifting to see what God is doing in the churches here in the US.*

*But it is also with sadness that we prepare our suitcases to return to Santiago del Estero because there are 25 churches that we were not able to visit. The letter and DVD we sent to each of you is our humble attempt to share with you what God has and is doing.*

*We are planning on leaving at the end of February, the school year for our kids starts the first week in March. It's with excitement that we look forward to our next term. It's also with a little uncertainty and fear that we leave because our oldest daughter Sara will be staying here in the US. She is attending Bethel University in St. Paul, MN, and will be there through the end of the school year. Please, pray for her as she seeks to find what it is God wants for her life.*

*Please, pray also for our kid's education as we go back to Santiago. Historically the educational system doesn't recognize any study done outside of the country which means they will lose the whole year they were in the US. Please, pray that the Lord will provide the best possible resolution to this situation. Pray also for our transition into the church plant that has been functioning for a year on its own.*

*As an attempt to keep better communication, and share mutual prayer concerns, we would like each church to provide us with two e-mails and contact people (pastor, secretary or mission's committee) that will be our direct reference person. Could you please help us with this by sending this information back to us in the next two weeks to our e-mail address: [sgohills@hotmail.com](mailto:sgohills@hotmail.com). It would really help us to have our mailing lists complete, up to date and organized. We truly appreciate it!*

*We need to thank you each one of you for allowing us to be part of your vision for the world. Thank you for your faithful support through the years. Thank you for your hospitality to each one of you that have provided us with wonderful meals and warm beds while we were visiting. "May God will fully satisfy every need of yours according to his riches in glory in Christ Jesus. To our God and Father be glory forever and ever. Amen." Phil.4.19-20*

*So dear brothers and sisters ... "adios" for now, which in Spanish means "go with God", we hope and pray that even though we will be separated by many miles that we will continue to be one in Christ. In Him,*
